

STRATA

Studio Roderick Vos

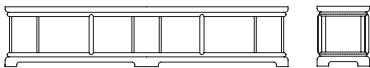

STRATA collection contains a series of hardcore industrial-style cabinets. Its inspiration comes from Ming-Dynasty design and minimalism. Simple with power and clearly structured, the collection writes an epic of cabinet in a design language of today. Modern technology is applied to form the exterior which was used to be made by hand. High-end baking varnish adds fluid light on the surfaces. The cabinets speak for themselves with no need of extra decoration.

STRUCTURE

Structure in MDF

FINISHING

Whole piece in different color lacquer
