

YAYA 丫丫

Design by Frank Chou 周宸宸

编号：32F017

它，可以成为你家的新“宠物”，灵动活泼。正面看去，它呈现蹲坐形态，等待给你舒适的抱抱。侧面而视，又充满似奔跑的张力。它打破传统座椅四腿结构，以大胆形态吸引眼球，几何体块形拼接成利落的三大面，每个面又以v型角度包裹贴合坐与靠的弧度，衔接精妙，舒适满分。它富有力量感，为任意空间增添趣味与活力。

Welcoming your new “pet” YAYA to the room. From the front view, YAYA is in seating posture for you to sit on and pat. From the side, the silhouette presents running movement. It hugs the sitter with its subtle V angle on the seat and back to better follow body shapes while seating and leaning. As comfortable as it is stylish, YAYA adds a whimsical, playful twist to any room.
