

# TAO 四海

Design by Christophe Delcourt

编号：B37

朝云浮四海，日暮归故山，温一壶酒，备一桌餐，扫去疲惫。方正有型的桌面下是实木与烤漆的交织扭转，温暖的木与温润的烤漆相互辉映，彰显着艺术感染力，给人温馨暖情之感。

Dining table TAO is the quintessential of the French designer's work, it is an homage to the spirit and the possibilities of wood. Sculptural, they define space as much as they are born from a subtle balance of intricate shapes of solid wood. Of infinite elegance, the tables offer a play on matter itself, alternating lacquered surfaces and raw wood.
