

SAIGAK 羚羊

Design by Studio Kononenko ID

编号：OK01

羚羊扶手椅灵感来源于自由驰骋在辽阔草原上的羚羊，它展示着原始的力量美与静谧的室内中蠢蠢欲动的动态感。它鼓励我们在自己的庇护所里也要时常拥抱冒险精神。柔软触感和简约设计在舒适和现代美学之间创造了和谐的平衡。

The SAIGAK Armchair design inspired by a free-roaming SAIGAK traversing the expansive Mongolian steppes, epitomizes the ebb and flow of dynamics within the stillness of your interior. Feel the raw power and ethereal grace, as it beckons you to embrace the spirit of adventure within your sanctuary. The soft texture of the upholstery and minimalist design create a harmonious balance between comfort and modern aesthetics. Ideal for those who appreciate uniqueness and seek to infuse their space with a distinctive atmosphere.
