

# ANGLE 好望角

Design by Santiago Sevillano

编号：D21

ANGLE茶几以金属框架构建出结构，支撑着正方形桌面，边角起承转合处的金属设计非常独特，安全稳固又不显厚重呆板，打造出平衡和谐的多感官装饰效果。

ANGLE is a coffee table collection with fine table top set on a slim metal base. The rounded top corner and the metal structure creates a set of unique angles. The designer plays with those angles and the negative space to achieve the light yet sturdy look. It is balanced, decorative and timeless.
