间筑的灵感来自罗马的方形斗兽场，那弧形的窗户和方形的建筑浑然一体，以这两个气质完全不同的形状结合出新的力量作为概念缘起。间筑茶几系列一套三组，以润泽烤漆，浑厚造型呈现着建筑之美。

Inspired to square colosseum in Rome, were the arc shape of windows and the straight square shape of building live together. ROMA coffee table collection comes in a set of three, with sturdy shapes that capture the beauty of architecture.
