

SUI 苏

Design by Christophe Delcourt

编号：G06

SUI餐桌，展示了各种让人期待的木作之美，其超大的尺度隐喻自然的力量，其细腻的纹理表现自然的优雅，而桌面和框架的各个收边不是呈现弧形，就是呈现角度，那是自然的柔美，从不给人直接的棱角。于是，SUI餐桌讲述了一个自然的实木故事，并完成了一个实木餐桌的现代经典。

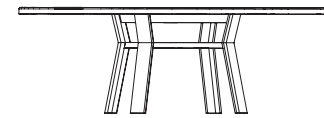

Beyond their clean design, the round and rectangular SUI tables celebrate the beauty and magnificence of a large piece of wood. The beautifully polished finish along with the strong and innovative design of the legs remain harmonious in both shapes, allowing SUI to be a key-piece in any living space.
