ERIKA系列在简洁现代的造型中透露着东方情韵，采用桌腿框架外露设计，有力承托着各种材质柜体。该系列通过设计细节、比例尺寸、工艺稳定性的精准打磨，专属开模的金属桌腿更加纤细精致，也让该系列拥有更加脱俗的独立表现力，侧开抽屉设计，充分利用茶几的结构，节省客厅空间。

ERIKA collection started with modern minimalism style and finish with the oriental touch. The unique feature of "ERIKA" is the use of new technologies and materials, representative of high-level industrial design. From this approach comes the versatile corner feet in die-casting aluminum, with a recognizable thin conical shape, which provides the products with elegance, lightness, and a floating sensation. The coffee table in wood or stone top and the drawers that opens from both side to provide storage. The original idea of a simple shape with an unruffled gesture is implemented, with an industrial approach, by creating a consequent and logical set of new product solutions for your living room.
