

# KAT 璞玉

Design by Christophe Delcourt

编号：G81

璞玉餐椅以简洁利落的造型体现出传统与现代完美融合的特色。浑圆略带钝感的设计就像璞玉，在桌旁散发着内敛迷人的气质。以实木为基础，以氟碳漆金属作为装饰，试图内敛锋芒却在不经意间吸引目光。

KAT dining chair is a well-crafted and utilitarian design. The round edges and corners on the solid wood leg contribute a soft and quiet feel. The visible dark grey epoxy metal screws and rails add a touch of elegance. It's a chair that does not call for attention but attracts you anyway.
