SIO牧笛休闲椅造型舒适典雅，马鞍皮座面一气呵成，线条流畅，背部支撑符合人体工学，与笔直圆润的实木框架巧妙连接，颇有东方美学下的浪漫主义色彩。

SIO is a classically designed armchair with a modern appeal. The solid-wood frame is made of fine round timber, supporting a visually light saddle leather to create a unique relationship between two materials. Together, SIO armchair radiates a sense of modern romanticism.
