

BOWIE 逍遥

Design by LualdiMeraldi Studio

编号：M06 / M07

潇洒自在地行走在充满秩序感的薰衣草田间，浪漫而松弛，设计师把这样的感受融入到逍遥床头的设计中。它大气、柔软，为卧室增添了温馨和诗意。在加长版设计中，床头板延展至床的两侧，巧妙地划分出放置床头柜和夜灯的空间，营造一个私密又舒展的角落。

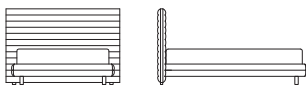

Large, soft and geometric. Bowie’ s headboard is a true boiserie that brings elegance, warmth and poetry to the bedroom. In the extended version on either side of the bed, the headboard ideally defines space for nightstands and end tables, creating an intimate and cozy corner.
