

HIGH LINE 英伦

Design by Sebastian Herkner

编号：SE07

这是一款自带贵族气质的卧床，宽大格纹床头精致而挺拔，散发着浓浓的英伦古典风情。在横平竖直的线条中传递着优雅的绅士品格。HIGH LINE与众不同的在于床头由主床头与左右活动模块组合形成，左右可根据需求添置抽屉柜，气质之下还可保持自我和个性的追求。

The bed design has a modular approach to create an individually composition with its back panel. Headboard is softly structured, quilted in check pattern inspired by classic England Haute Couture. HIGH LINE delivers a timeless look for modern home solution.
