妆台桌腿的切角形态源自桃源系列的设计语境，梳妆台内置多种形式的储藏功能和自动关闭的翻板镜是美观与实用的设计平衡。妆台底板的皮革更加体现品质。

The miter cut details of this dressing table's legs follow the design concept of TEATRO collection. The design language shows the balance between beauty and practicality by integrating multiple forms of storage and automatic folding mirrors into a single piece of furniture. Furthermore, its leather baseboard provides a texture of fine quality enhanced with the jewelry box under the mirror.
