Design by Dainelli Studio

编号：DA05

竹屿系列，是珍贵纯粹的手工之作。从天然朴素的材质中培育出细腻感性的美感。因取之于自然，工匠又以无私潜心的态度制作，令人珍视的同时也在思考物尽其用的生活智慧。腿部的每一个转弯都完整表现着实木雕琢后的细致纤薄感。竹屿长凳，可作为入门凳，客厅的装饰凳，卧室的床头凳。它兼具魅力与功能，是家中提升质感的好物。

The inspiration came from the past. The truly thin structure brings an elegant lightness to a sturdy, precious handcrafted chair. The craftsman's dedication makes MEMORY bench a precious piece to be treasured, and to contemplate the wisdom of life in value and treasure everything around. Versatile in its use, it is an ideal addition to hallways, living rooms, and bedrooms.
