

MEMORY 竹屿

Design by Dainelli Studio

编号: DA03

竹屿餐椅，是珍贵纯粹的手工之作。从天然朴素的材质中培育出细腻感性的美感。因取之于自然，工匠又以无私潜心的态度制作，令人珍视的同时也在思考物尽其用的生活智慧。从扶手的转弯到腿部都完整表现着实木雕琢后的细致纤薄感，MEMORY竹屿连接着人与自然，带出潜藏其中的质感与魅力。

The inspiration came from the past. The truly thin structure brings an elegant lightness to a sturdy, precious handcrafted chair. From the back to the arm, it forms beautiful curves in three dimensions. The craftsman's dedication makes MEMORY chair a precious piece to be treasured, and to contemplate the wisdom of life in value and treasure everything around.
