数据参考 TECHNICAL INFORMATION

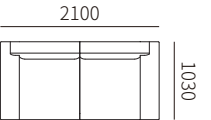

编号：L186

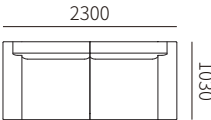

LAN沙发，用平凡演绎着非凡，饱满的坐垫平展如水，给人柔软的承托，钢木结合底座，利用45度切边营造轻薄而现代的视觉效果，整体简洁有力的轮廓像一座平缓的山，成为客厅空间的视觉骨架。

With a plain look, LAN sofa still stands out. The plump cushions spread as a water surface to support users gently. The steel-wood base is cut into 45 degree to make a slim and modern look. As the focus in a living room, its simple and dynamic outline imitates a smooth mountain.
