

CHAI 乐畔

Design by Dainelli Studio

编号：DA04

乐畔是一款有态度的沙发，它刚柔并济，虚实共存，形如中国水墨画。它也充满“理性”，带有古希腊的几何与确定感。用记忆棉打造出柔软又有支撑的坐席，满铺的靠垫带来尽可能的包裹。它即能待客，又能独享。

乐畔提供了一种新的生活方式，在沙发上享受轻办公，晨间咖啡或人宠共享时光。扶手与靠背提供置物平台，也是小型爱宠的休憩之地。无需边几，满足各种生活场景，也同时做到了空间的协调统一。

Inspired by the stability of Greek geometries and the fluidity of Asian ink painting, the CHAI sofa integrates sumptuous cushions within a volumed metallic lacquer frame, creating an elegant interplay of softness and rigidity. Adorned with oversized cushions, CHAI invites both sit and curling up.

The CHAI sofa introduces a new lifestyle, designed with platformed arms and backrests that serve a multifunctional purpose. Whether you’re doing light office work, enjoying a cup of coffee, or spending time with pets, this sofa is crafted to accommodate a range of activities while fostering a unified ambiance in the living room.
