JOUI边柜的灵感来源于中国古典旗袍中“如意领”元素，心之所向皆能如愿抵达的美好故事，是文化也是期许。台面以温润的白色石材覆盖，轻微圆角设计将东方文化折衷且圆融的情感一一讲述。柜脚则取如意领口的轻盈，也像舞者踮起脚尖，生活中便多了一份蜻蜓点水的活泼与愉悦。

JOUI sideboard is inspired by the "Ruyi Collar" element of the classical Chinese cheong-sam, a beautiful representative of "wish your dream come true". The graceful, soft curves on the legs and corners share the wisdom of life. The lightness of the feet captures the dancers' tiptoe. Together, the JOUI sideboard brings the sweet message and the eastern culture into life.
