

# ZADIG 雅士

Design by P&P Studio

编号：F92ZH

ZADIG大胆运用多种材质和色彩，实现了视听和搁架功能在高度和长度上的系统变化。根据客厅的不同需求，ZADIG柜体系统可以满足背柜，低柜，电视柜和书柜等丰富的演绎。多彩的滑门错落排布，好像乐章里跳跃的音符，将柜体的外观演化为一场变幻无穷的视觉盛宴。

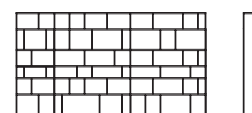

ZADIG boldly utilizes a variety of materials and colors to create shelving in varying heights and lengths. The system can meet a variety of needs in the living room. It can become a back cabinet, a low cabinet, a TV cabinet, and a bookshelf. Its colorful sliding doors are scattered in different heights, like jumping notes in a movement. The cabinet is a visual feast of endless change.
